REFERATUL DE APROBARE
A PROIECTULUI DE HOTĂRÂRE AL CONSILIULUI LOCAL
privind Regulamentul pentru închirierea locurilor de parcare pentru biciclete
în spații special amenajate în municipiul Brașov.

Având în vedere următoarele:

- Municipality continues the program of investments in green mobility through the development of the necessary infrastructure of transport vehicles, and for the realization of this objective are in work projects of arrangement of bicycle routes that ensure easy connections between all districts and towards neighboring localities.
- In order to ensure decent conditions for owners and users of such transport means, the municipality develops projects that also ensure the creation of spaces designed for long-term parking of bicycles, specially covered spaces, clearly delimited and secured so that the surface occupied is used to the maximum, through the installation of mobile, equipped with access systems based on cards, video surveillance systems, equipped with systems for ensuring electricity through photovoltaic panels.
- Secured bicycle parking containers with mobile racks will function independently, being equipped with photovoltaic panels, charging regulator, inverter, accumulators, mounting structure for panels, etc., the solution ensuring the need for electricity with electric energy for all installed systems, regardless of atmospheric conditions.
- This type of construction will be located in the proximity of urban agglomerations, residential zones, zones with a high number of workplaces, educational units and intermodal nodes, having the role of protecting bicycles from weather, theft and vandalism.
- The assignment through rental of available spaces will be carried out on the basis of transparent, efficient, durable and equitable rules, beneficiaries having the obligation to respect the provisions of the Regulation proposed for approval.

În temeiul prevederilor art. 136 din O.U.G. nr. 57 din 2019 privind Codul Administrativ, îmi exprim inițiativa de promovare a **proiectului de hotărâre privind aprobarea Regulamentului pentru închirierea locurilor de parcare pentru biciclete în spații special amenajate în Municipiul Brașov, conform anexei.**
